

OVER 160 more persons attended the show in 2010 than the previous year!

Please take advantage of the expanding venue and reserve your booth for 2011. New next year will be a Wednesday "Members/Guest" Trade Show pass. Our goal is to drive customers to your booths and we think the Member/Guest promotion will increase trade attendance on Wednesday. Tuesday traffic on the Trade Show Floor is excellent and we are going to continue the free Tuesday Trade Show Pass for that day.
